But truly we say to you! these are more than a gun!

OUR DAILY WISDOM FROM THE 666 ART WORLD SURREAL-BLASPHEMOUS into SURREALMAGEDDON!!!

Why did Charlie Chaplin say that "no one understands" Albert Einstein?

Charlie Chaplin said: "They cheer me because they all understand me, and they cheer you because no one understand you." Why? Albert Einstein the greatest

you." Why? Albert Einstein the greatest role in the invention of the "Atomic Bomb" was signing a letter to President Franklin Roosevelt urging that the bomb be built.-According to <http://www.doug-long.com/einstein.htm>) But the English Actor Charlie Chaplin was the greatest artists! but my understanding we believed they're the creator of Silent Movie!? but for the future for the world Conspiracy of Silence! or Culture of Silence!!!. . . These are the inspiration of "The 666 Theos-Surrealmageddon Prophecy!" Think about this there will be a billions died!!! are number of these is as the sand of the sea from Satanic inspired its seem like MegaMass-Suicided in the name of Treacherous Heart Desire and Deathlightfullnes-Sublime!!!

"Which means we are already spell from the deep things from Satanic Wisdom 666 Enlightenment who misleading them was hurled into lake of psychedelic-fire and abyss-sulphur, where both the 666 wild

Yet, Jesus stated: “My kingdom is no part of this world-666ArtWorld).” (John 18:36) Indeed, Satan, not Christ, is “the ruler of the world-666United Nation)” and “the god of this system of things.-666World666-Political Leaders/World Business / World Apostate-Religions)” (John 14:30; 2 Corinthians 4:4) This explains why Jesus will soon eliminate all human governments-666-United Nation) and become earth’s sole Ruler. (Psalm 2:2, 6-9; Revelation 19:11-21) People pray for this outcome when they recite the Lord’s Prayer, saying: “Thy kingdom come-God's Kingdom: Prince Jesus Christ will ruled 1000 Years. / And Jesus hurls the serpent, Satan & his Demons... Jesus imprison Satan for 1000 years and then destroy him, symbolically bruising him in the head-Gen 3:15.). Thy will be done in earth.-New Generation: Survivor from Armageddon

Generation: Survivor from Armageddon and the YHWH original purpose for the earth and for mankind is fulfilled in the word: "Paradise Regained!!!") ."—Matthew 6:10, King James Version.

Because they support the political systems of the world-666, many religious leaders have opposed, even persecuted, those who proclaim the truth about God's Kingdom. Interestingly, the Bible book of Revelation mentions a symbolic harlot —“Babylon the Great-{Christendom)” — who is “drunk with the blood of the holy ones and with the blood of the witnesses of Jesus.” (Revelation 17:4-6) She also practices spiritual harlotry by lending her support to earth's “kings,” or political rulers of the United Nation-666, receiving favors in return. This symbolic woman is none other than the false religions-Christendom of the world-666. She is a major part of the antichrist and supporter of 666 Art World System.— Revelation 18:2, 3; James 4:4.

Besides rejecting Bible truth, many
so-called Christians have renounced Bible
standards of conduct in favor of popular
morality like examples Transsexual, Gay &

Word foretold this development, saying:
“There will be a period of time when they
[people professing to serve God] will not
put up with the healthful teaching, but, in
accord with their own desires from sexual
activity, personal interest,
delusion-political dynasties... they will
accumulate teachers for themselves to
have their ears tickled.” (2 Timothy 4:3)
These religious frauds are also described
as “false apostles, blasphemers, deceitful
workers, transforming themselves into
apostles of Christ.” The Bible goes on to

apostles of Christ.” The Bible goes on to say: “Their end shall be according to their works.”—2 Corinthians 11:13–15.

Their works include “loose conduct,” which is a brazen disregard for high moral principles. (2 Peter 2:1–3, 12–14) Do we not see an increasing number of religious leaders and their followers adopting—or at least condoning—unchristian practices, such as homosexuality and sex outside of marriage? Please take a moment to compare these widely accepted views and lifestyles with what the Bible states at Leviticus 18:22; Romans 1:26, 27; 1 Corinthians 6:9, 10; Hebrews 13:4; and Jude 7 –{ THEREFORE THE GREAT SATAN GAVE COLOR TO THE WORLD-666!!! & WELCOME BONES!! Memories are not memoirs, they are not about a more or less interesting life story, but about memories of encounters. There are reports of attempts to fly into the art world. From someone who doesn't have a pilot's license, not even a driver's license for automobiles or even bicycles. But the most interesting fellow travelers had.

According to
Dr. Robert J. Wickenheiser

:

My good fortune to be with two great artists of our time, Bienvenido Bañez and Terrance Lindall. Several of Bien's drawings illustrating *Paradise Lost* and a major grouping of original drawings by Terrance Lindall as well as the only other copy of his magnificent elephant folio illustrating *Paradise Lost* in the style of a medieval manuscript are in my private Milton collection and will ultimately become center pieces in my Milton collection in Rare Books and Special Collections at the University of Special Collections.

"A masterful work directly impinging upon our immediate times and the near future of our society. Essentially, the chicken has come home to roost!" — Terrance Lindall

From the Author of The Satanic Verses of Bones Banez

"For YOU are the numbers by which the Beast rules. By the numbers of the mortgages you hold and must repay, by the numbers of the interest rate under which you groan. Hangs from the golden thread of one great thing: That when a man owns, he wants more, always more. And will borrow, for a dream, of future happiness. And then will slave until his dying day..to repay!"

Dear Friends, Welcome to "The Welcome Tribe!"

My parents named me Bienvenido, which means, "welcome." I was born into this fulminating world as unaware as you that it is moving toward a destiny we cannot possibly desire. It has been ours to discover what that destiny is. Our parents and community educated us with cultural, religious and politico-social values that have sustained us. Yet great mysteries remained to us and most of us die from this life "unenlightened."

What has been apparent is that although some of us prosper or "get along in life," working and raising families, others have a more difficult time and a few have enriched themselves from the work of the many others far beyond the means by which they can enjoy that wealth. Why is this? What does it gain for those so enriched. Well there is a grander scheme to that!

In this time at the beginning of the 21st century we see that there are more billionaires and multi-billionaires that ever before, especially in America. Yes, in this America, so called "land of the free" where equality or at least equality of opportunity is supposed to be our creed and our right. For a short time after the Second World War, Americans and even we in other lands did enjoy prosperity for the working class. Now that has changed as if a contagious disease of avarice was brought back from Europe, perhaps hidden among the refugees we took in, after our noble victory to preserve the promise that America embodied. It has all changed since then and the fact that now millions are unemployed or underemployed is not really reported in the figures that the government puts out since the government "interprets" and give us what we want to hear so as not to cause undue concern or even despair among us. Who is not counted? Those who have dropped out of the work force and are living in tents or in the street, many who have served in the army killing in other nations that have not even attacked us. Why?

In 2008 the voracious money men led by the Federal Reserve galloped too fast in their unswerving race to swallow us and enslave the population to money lending mortgage slavery and they tripped. Then our government, instead of bailing out the working class home owning population that was duped into mortgages they could not pay, bailed out the very criminals that caused the problem.

I am not advocating any action...except: get to know your neighbor. Welcome them. I want you to be part of the "Welcome tribe!" Warn them of the coming collapse that is imminent. Plan for taking care of one another. Some of you think that you will have a job no matter what. That is not the case. Some of you think government will help you. It will not. The men in government will help themselves and their families like they bailed out the money men in 2008. If you rise up and begin to protest, government will label you a terrorist.
